Patient Financial Policy

At Comprehensive Orthopaedics, S.C. we are committed to providing you with the best possible care and are pleased to discuss our professional fees with you at any time. Our fees for services are based on the level of professional skill required, the severity and complexity of the injury or illness, as well as the time spent treating you. The **patient or guarantor** is responsible for seeing that the entire bill is paid in full. Your clear understanding of our Financial Policy is important to our professional relationship.

Insurance: Billing of insurance is a courtesy we provide our patients and is not required by law. Please notify us if your insurance carrier or policy has changed.

Copayments: Your insurance contract REQUIRES that we collect your designated co-pay at the time of service. Please be prepared to pay your co-pay at the time of check-in for each visit.

Non-Covered Services: If your insurance plan determines that a service is not covered for any reason you will be responsible for payment of the charges. **Durable Medical Equipment (DME):** Some DME items may not be covered by your insurance plan and you will be asked to pay a portion at the time of service. All items are new when given and cannot be returned.

Non-Participating Insurance Plans or "Out of Network": It is the responsibility of the patient to verify whether Comprehensive Orthopaedics, S.C. contracts with your insurance plan. Any outstanding balances are the responsibility of the patient. Insurance companies sometimes use the phrase "usual and customary" or "out of network" when discussing our fees. Insurance companies set their own "usual and customary" rates based on a wide geographic area and the fees we charge may differ.

Referrals: If your insurance plan requires a referral from your primary care physician it is your responsibility to obtain this prior to your appointment and have it with you at the time of the appointment. If you do not have your referral you may be required to reschedule.

Workers Compensation/Other Accident Cases: In order for us to file a claim with your work comp or other liability carrier you must provide complete billing information. Without this information we are unable to bill your insurance carrier and we will ask for payment in full at the time of service. Patients shall be financially responsible for medical services related to work comp/accident if insurance fails to pay in full. We will bill major medical insurance.

Self-Pay/Uninsured: Payment in full is required for all self-pay/uninsured patients. For new patients, a deposit of $200 is required on the day of your appointment **before** being seen by the provider and $75 copays at any follow up appointments. Any fees remaining will be billed to you following your appointment.

Urgent Care: During our after-hours Urgent Care, our financial policy will revert back to a self-pay/Uninsured status until your Insurance can be verified.

Minors of Divorced Parents and Child Custody Cases: Both parents are financially responsible for care rendered to minor children. We do not get involved in divorce situations and the parent with whom the child resides with will be financially responsible and any statements will be mailed directly to that parent.

Post-Operative Surgery Charges: Following most surgical procedures, related office visits are included and will not be charged during 90 day post-operative period. Services such as x-rays, casting and materials, Durable Medical Equipment, and injections are not included in the post-operative period.

Responsible Party: I have read the financial policy and understand that I will be responsible for all Comprehensive Orthopaedics, S.C. charges incurred regardless of my insurance status including expenses incurred in collecting the amounts owed, including attorney's fees, court costs and/or the collection agency fee. Any returned check from the bank for non-payment (insufficient funds) shall result in the patient's account being assessed a $25 fee per check returned.

COMPREHENSIVE ORTHOPAEDICS, S.C. RESERVES THE RIGHT TO TERMINATE MY CARE FOR NON-COMPLIANCE AT ANY TIME.

Payment for services may be paid by cash, personal check, Visa, MasterCard, Discover, American Express, or Care Credit.

Please sign that you have read and agree to this Financial Policy.
